

WIRE BENDING COURSE

THIS EVENT IS HOSTED BY PERFECT BRACES ACADEMY
FOR ORTHODONTIC TRAINING.

Lecturer :
Dr Ahmed Salah
MSc degree in Orthodontics
Morth lecturer in Perfect Braces
Academy

Content of the course :

- Tweed arch form customization (work shop) Using comoass, graph paper, turret, delarosa.
- 1st and 2nd order bends(offsetd, insets, angulation bends)
- 3rd order bends application (applying anterior +ve torque and posterior progressive - ve torque)
- T-loop for segmental canine retraction.
- T-loop for segmental canine retraction.

- anterior retraction arch wire in two space stage closure with closing vertical loops and active tie backs.
- closing loop arch wire (CLAW) with T-loop and preactivation bends) for enmass space closure.
- uprighting of mesially tilted molars with L-loop and tip back bends.
- uprighting mesially tilted molars with uprighting springs.
- designing a custom made reverse arch wire for flattening spee curve

- utility arch wire for segmental incisors intrusion.
- accessory leveling arch wire for differential uprighting, extrusion of posterior segment and intrusion of anterior segment.
- 3 piece intrusion arch for incisors intrusion.
- burstone torquing spring for applying palatal root torque for incisors.
- applying individual tooth torque using male and female torquing pliers(postive and negative)

- stopped archwire for proclining upper incisors in cross bite cases.
- ballista loops for impacted canine traction.
- easy canine spring for impacted canine traction.
- cantilevers for occlusal canting correction.
- yin yang mechanics for occlusal canting correction.
- TADs supported extrusion spring for canting correction by extrusion.

■ This Course will be on :

7/8/2020

&

14/8/2020

■ Required Instruments :

- Straight cutter

- 2 tweed pliers

- 139 plier

■ Fees :

- Early bird before 15/7/2020

5000 on 2 installments:

1st : 2000L.E (15/7/2020)

2nd : 3000L.E (29/7/2020)

- After 15/7/2020

Full packages 8000L.E

■ You Can Pay via :

- Vodafone cash

01027928910

- CIB

100040903528

- Or Visit Perfect braces
Academy

Terms and Conditions :

1. The trainee has the right to get back all the money before attending the course or if he / she is not satisfied after the first day.
2. If he / she did not attend the course, the money would be returned to him / her, or he / she would be given the opportunity to attend the next course (in the coming month)
3. The average hours is 8 hours starting from 10 am

4. The course will be held in the academic headquarters in Giza Square

5. First, the theoretical part will be discussed in 4 hours, then the practical part.

6. Videos and handouts will be taken and capturing photos in the lessons will be allowed.

7. There will be a facebook group for questions and inquiries.
